

## Nature in the Neighborhood: Fall & Winter BINGO

Go for a walk in your neighborhood and see what nature you can find! Just remember to maintain proper social distancing and share the sidewalks and trails.

Find something in nature that is red	Look for animal tracks	Take a tree selfie	Find something in nature that is round	Talk about the weather
Listen for bird calls	Find something in nature that is brown	Collect leaves to make leaf rubbings	Look for an animal with fur	Find something in nature that is yellow
Pick up trash (using gloves and/or tools)	Draw a tree with needles	<b>Free Space</b>	Find something in nature that is white	Look for an animal's winter home
Find a pinecone	Find a bird's nest	Learn about how animals adapt to cold weather	Hug a tree	Find something that is growing
Find an interesting tree	Draw a tree that has no leaves	Find something in nature that is green	Identify a plant you don't know	Make a self portrait out of sticks, leaves and other materials
